Dear Friends and Fellow Members,

The Sawgrass Foundation wishes you all a warm and wonderful Holiday Season. The SGCC staff will be doing their utmost to serve you and make your times merry and bright, at least as far as our CDC restrictions allow. We hope it is as joyous as possible, and we all are looking forward to an improved public health situation in 2021.

As you know, the Foundation is an independent fund established to support our staff. We assisted with cash payments during the height of the lockdowns in the Spring, and now we are sponsoring scholarships for staff or their families to study, while still working at the Club. We expect about 10 scholarships for the next semester and more in the Summer and Autumn terms.

As you think about your year-end charitable contributions, please keep us in mind. It's close to home, it's impactful, and it is very much appreciated. There are a number of ways to donate - please see our website for details, www.sawgrassfoundation.org. Or contact us at donations@sawgrassfoundation.org.

Thanks and Kind Regards,

Sawgrass Foundation, Inc.
